

Wartości odżywcze jedzenie Starbucks Polska - dane wyliczone /Nutrition information Starbucks Poland based on calculation																		
Przedstawione informacje o wartościach odżywczych produktów są możliwe pełne. Bazują one na obliczeniach na podstawie programu do obliczania wartości odżywczych. Ze względu na to, iż kawiarnie Starbucks korzystają z produktów naturalnych o znacznej zmienności składu wynikającej min. ze zmienności sezonowej, podane wartości odżywcze mogą odbiegać od przedstawionych w tabeli. Starbucks zastrzega sobie również możliwość wprowadzenia zmian w recepturach, co w wpływa na zmianę wartości odżywczych. The products nutrition information presented are complete as possible. They are based on calculation. Due to the fact that Starbucks benefit from the natural products of high volatility resulting composition min. the seasonal variation, nutritional values given may differ from those in the table. Starbucks also reserves the possibility of introducing changes in the recipes, which is changing the nutritional value. 10.08.2025

ALLERGENY / ALLERGENS

Wykaz alergenów przygotowany na podstawie deklaracji producenta zawartych w specyfikacjach produktów / The list of allergens prepared based on manufacturers product specifications.

Dokładamy wszelkich starań, aby w serwowanych produktach nie pojawiały się alergeny poza wymienionymi. Ponieważ w naszych kawiarniach używamy różnych składników, możliwe jest przedostanie się śladowych ilości substancji uczulających w zamawianych produktach ze względu na wykorzystanie tego samego sprzętu do ich przygotowania. Informacje tu zawarte odpowiadają stanowi rzeczy na dzień oddania do druku

ALERGENY W NAPÓJACH / ALLERGENS IN BEVERAGES - PROMO

Dokładamy wszelkich starań, aby w serwowanych napojach nie pojawiły się alergeny poza wymienionymi. Ponieważ w naszych kawiarniach używamy różnych produktów, możliwe jest przedostanie się śladowych ilości substancji uczulających w zamawianych napojach ze względu na wykorzystanie tego samego sprzętu do ich przygotowania.
